Venue & Time

Each study club meeting will start at 7.30pm (coffee and registration from 7pm), and will run until approximately 9.30pm.

Tea, Coffee, and biscuits will be available for delegates on arrival. Each session will be held in the **Stillorgan Park Hotel, Stillorgan, Co. Dublin**, on the main N11 Southbound. There is free parking in the car park to the rear of the hotel, and the hotel is well served by public transport.

For directions to the Stillorgan Park Hotel, please see their website (www.stillorganpark.com).

If you are travelling from further afield, we have negotiated a special discounted room rate at the hotel for delegates. This discounted rate can be obtained by phoning the hotel reservations team and quoting 'Number16' at the time of booking.

Continuing Education for Dental Hygienists

The Number 16
 Dental Hygiene
 Study Club

Mission Statement

The Number 16 Dental Hygiene Study Group aims to provide Dental Hygienists with evidence based clinical skills that can be used in everyday practice

The Number 16 Dental Hygiene Study Club

We are delighted to bring you an exciting new continuing education opportunity, especially designed for Dental Hygienists! The Number 16 Dental Hygiene Study Club will provide a small group, informal environment to learn and experience a wide range of concepts and topics within the field of contemporary dentistry.

Our goal is to provide a friendly, welcoming, and low-pressure learning environment that helps dental hygienists develop and enhance their academic and clinical skills in their everyday practice.

We have structured an initial 7 session programme, where course material is pre-selected and provided to the participant ahead of each session, for discussion and use within each of the study group sessions.

Topics

A wide selection of topics will be discussed over the course.

These topics will include local anaesthesia for hygienists, maintenance of patients with restorative and implant rehabilitations, treatment planning for periodontal patients, current and emerging treatment concepts, evaluation of products, high-risk patient groups, treatment of hypersensitivity, and treatment of paediatric patients.

There will also be a literature review component. Course materials, including journal articles or references of interest will be sent out in advance by email to registered delegates.

We look forward to seeing you at the first Number16 Dental Hygiene Study Club!

Meet the Team

The Dental Hygiene Study Club is being hosted by Number16 Periodontics. We are a specialist dental referral practice located in Blackrock, Co. Dublin.

Course Leaders (Number 16)

Course Updates

Between each session, updates on materials and the forthcoming lecture content will be posted to our website at www.number16.ie

Click on the 'Education' tab, then 'Dental hygienists' from the drop down list.

Number16 Periodontics Facebook Page

Course information and updates will also be posted on our practice Facebook page. To access our Facebook page, go to our website, www.number16.ie, then follow the Facebook link on the lower right of the home page. Click 'Like', and receive all the updates for the course!

Continuing Education Credit

Upon completion of the course, a certificate of attendance will be provided to all participants.

Course Co-ordinators and Contacts

To register for the Number 16 Dental Hygiene Study Club, please contact our course co-ordinators, Michelle and Carolyn on info@number16.ie.

Alternatively, you may phone us on 01 202 8900.

Registration can be completed either by completing and returning the attached tear off form, or forwarding an email with your contact details (name, phone number, email address). Alternatively, you can print off the form on our website (the dental hygiene page in the Education Section) and send it to us by post or email. When payment is received, you are ready to go!

Cost

Advance registration for the full programme (includes all sessions and all course material) costs €120. Make sure to send us your registration form as well as payment. There are several ways you may pay your course fee – the choice is up to you. A receipt can be issued to you by email or by post.

Paypal

When you register, we can send you a link to pay via Paypal. It is necessary to fill out the course registration form in advance of this indicating that you'd like to pay by Paypal.

Payment by Cheque

Please send cheques payable to 'Dr. Barry Dace' with your registration information (name, email address, mobile phone number)

Credit Card

Card payments can be processed over the phone, by calling Michelle or Carolyn on 01 202 8900 during normal working hours.

Payment by Cash

You can pay by cash on the first night of the course, but we ask that you register in advance for the course. Please bring the correct amount if you can, as we may not be able to get change for everyone! (Please do not send cash by mail)
